| Date | 1 st November 2022 |
| Team ID | PNT2022TMID12810 |
| Project Name | SmartFarmer – IoT Enabled Farming Application |
| Submitted by | Tharun G |

Created an account in MIT App inventor and started new project

The below screenshots show the various screens of my developed app in order:

I have tested this app in my mobile by installing it using apk file built and exported from this page (under Build Section)
